Our School Uniform

About our Uniform

At AMA, we believe that uniform is a very important part of school life. Not only does it give our students a sense of belonging to the AMA community, it also gives students a focus for the school day ahead and an overall a sense of pride and equality.

We want students to understand that whilst they are wearing their uniforms, they are also representing their schools and enhancing the school spirit. The aim is for students to present a neat appearance without being obtrusive, competitive or fashionable in what they wear.

Students are required to wear two types of uniform: The regular school uniform and the P.E. uniform which is worn only during P.E. class days. The P.E uniform is bespoke to the house the family belongs to.

We highly recommend that all clothing, equipment and bags are clearly labelled with the student's full name and grade.

Being equipped with the full school uniform everyday is non-negotiable.

Our Partner

House of Uniforms

As a school, the quality of uniform is something that matters to us. We also want to know that you are getting a good standard of service – in short, that you can get what uniform you want, when you want it and when you need it.

We believe that working with partners we rate highly, enables us to do this. For our part, we see this as an important development in our ongoing efforts to provide our parents and their students with the best of everything. Such is the value we place on school uniform, we have partnered with House of Uniforms to launch the new AMA uniform. House of Uniforms have trained staff to assist with any sizing questions you may have.
